

Hello Coaches,

The Brookline High School coaches are excited to offer a summer program boating out of the Boston Latin Boathouse this summer. The Dirty Water Boat Club competitive rowing program is for experienced high school rowers looking to train and race during the summer season. Athletes will have the opportunity to row in a number of boat classes, including singles, doubles, quads, pairs, fours, and eights. We offer six weeks of intensive training and the program culminates with a week of racing at Royal Canadian Henley Regatta.
